

## 2025 MWPCP Fee Schedule

- All events have an intended audience of practicing wetland professionals in the private and public sectors. Five-day basic delineation and regulation courses have a target audience of new wetland professionals seeking professional certification and/or a comprehensive introduction to wetland delineation and regulation in Minnesota.
- BWSR Wetland Section staff participating in the MWPCP are funded through their normal individual staff allocations (WCA general fund, etc.). Some staff time is funded through the class fees.

Type of Training Event	Fee	What Fee Covers
